

CTEnergy Education in a Nut Shell Webinars

Join us for 30 minute webinars about selected lessons. Each presentation begins at 3 pm with introductions and discussion. The content will start at 3:05 pm to give you a chance to settle in!

We will discuss the lesson, show you its hidden gems, and share great ways to integrate it into your curriculum.

RSVP by noon of the day of the Webinar to KOHLL@easternct.edu for instructions on how to join us. You will need access to a computer, and a phone. The system will call you, so the call is toll-free.

All webinars are free. We will archive the webinar after the presentation so you can check out those you missed, or review presentations you attended.

date	resource topic
